

Dear Parents,

Greetings from **The Woodstock School!**

January is the first month of the year and one of the seven months with the length of 31 days. The first day of the month (01<sup>st</sup> January) is known as New Year's Day. It is an average, the coldest month of the year. There is snow & ice all around the higher latitude in the Northern Hemisphere.

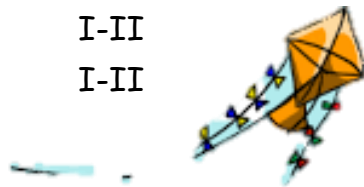

January starts on the same day of the week as October in common years, and starts on the same day of the week as April and July in leap years.

Following are the proposed activities for the month.
